

WELCOME *home*

NORTH MAIN BAPTIST CHURCH

This Sunday - May 17

2 SERVICES, 9:00 AM & 10:30 AM

Below are some of the things we've been doing to get things ready for you! So we can make sure **everyone has a seat**, please let us know you're coming at www.northmain.church. **Doors open at 8:45 & 10:15.**

We will still have our service online for those who are high risk, or just not ready to return to service yet.

CLEANLINESS

The church has been **deep-cleaned**. Pews have been wiped down, door knobs, bathrooms, light switches, etc. Mr. Clean would be impressed.

There are **EIGHTEEN hand-sanitizing stations** set-up throughout the church

There will also be **handwashing stations** throughout the facility as well.

The sanctuary will be disinfected inbetween each service. *If you would like to serve on the cleaning team, please call the church office.*

EXTRA INFO

We have already ordered prepackaged sets for our next **Lord's Supper service**. Water will be chlorinated for **baptisms**.

AT WORSHIP

We will have **marked pews** for each family (*families- please sit together- we can get more people in the sanctuary this way*).

There will be **GIVING STATIONS** so the offering plate does not have to be passed.

Bulletins will be placed in pews, which will minimize contact, and we have bottled water available instead of water fountains.

We will not have **CHOIR** right now- but hope to begin again in the near future.

MASKS will be provided if needed (*please wear them until you get to your pew, and then sing your heart out!*)

We have ordered **no-touch thermometers** to take temps if someone is not feeling well. *This is not mandatory, but just in case someone needs it.*

No **coffee** for now, but it will be coming back in the future! The best part of waking up is going to North Main to meet-up!
